

# OWLS

## Outdoor Weekend Learning Seminars@ the Everglades Youth Conservation Camp

The EYCC will be offering two OWLS for families with school-age children. Each weekend will be focusing on one of our core themes of paddle sports, wildlife discovery, shooting sports, and fishing. Housing, meals and all equipment for the weekend is provided. Families will participate in a variety of session to learn and improve their skills for each of the recreational programs. Patches for each program will be awarded to all participants at the conclusion of each seminar.

### **Shooting Sports: November 5 – 7, 2021** **Registration and Payment Deadline: October 22, 2021**

Archery has become a very popular sport. It's an activity that everyone can succeed . It's not about strength. It's more about focus and good form. Archery also is one of the most accessible activities for people with disabilities. It's also fun, safe and a great way to socialize with friends and family. Plus, when new shooting skills are mastered, participants get a big boost in self-confidence. Join us to learn how to shoot a bow and arrow as well as rotate through our other shooting sports including rifles, shotgun, and black powder.

### **Paddle Sports February 11-13, 2022** **Registration and Payment Deadline: January 29, 2022**

Florida has a variety of award-winning paddling trails on the state's abundant lakes, rivers, and meandering coastline. It's easy to get kids interested in canoeing or kayaking. Children possess a curiosity that, with a little bit of encouragement and a sturdy canoe or kayak, will make them want to get on the water and explore! They may spot an otter scooting through the water, an osprey diving for a fish, or perhaps an alligator basking in the sun. Join us this weekend to learn paddling skills for canoes, kayaks, and paddleboards to make your next adventure on the water more enjoyable.

**Program is cancelled if the minimum number of 15 participants is not met by the deadline date.**

## Cost for each weekend:

\$100 per adult

\$75 for children 12 to 18 years

\$50 for children 5 to 11 years

## Sleeping Accommodations

Families can choose to stay in our cabins or bring their own tent. Our cabins are air-conditioned with 10 bunk beds in an open room. Families will be sharing the cabins with other families. Bathhouses are separate from the cabins.

For our Wildlife Discovery weekend, we will be in cabins Friday night and move into our platform tents(optional) for Saturday night.
